

1 Surface Mount Box for 2, 4 or 6 Keystone modules with dust shutters

2 Surface Mount Box for 2 or 4 Keystone modules without dust shutters
3 Blank cover for unused ports
4 Mounting plate

DESCRIPTION

Surface Mount Box series made of plastic for fast surface mounted installations of up to 2, 4 or 6 modules with Keystone fitting.

All boxes have a labelling field.

The version 2x and 4x are available with or without integrated dust shutters.

All shielded and unshielded Keystone modules tool-less as well as the PS-GG45 7_A module (with clip) are easily fitted into the boxes.

When mounting the tool-less modules a cutout in the bottom of the box must be removed.

Delivery without modules.
