- 1** Faceplate for 2 modules MS-K 1/8,
with central plate, without cover frame
2 Faceplate for 3 modules MS-K 1/8,
with central plate, without cover frame

3 cover frame 1-fold for faceplates

DESCRIPTION

Faceplates for the installation of 2 and 3 shielded RJ45 modules MS-K Plus 1/8 Cat.6A or KS-TS 1/8 Cat.6/EA.

Suitable for flush and duct mounting as well as for floor box systems.

In case of an installation in a flush-mount cup please use 2-port faceplates (Figure 1)!

Mounting frame made of zinc die casting (offers possibility for connection to equipotential bonding).

The snap-in modules are easily fitted into the faceplates.

Unused ports are covered with blank covers (metal) that can be removed.

The central plate has a labelling field with transparent cover.

The pure white versions are supplied with pure white dust shutters to enable the replacement of the grey shutters at the installed modules.

The mounting frames of the 2-port faceplate can be used together with all customary TAE central plates (for multiple designs).

Delivery without modules.

APPLICATION

Suitable for the following Datwyler modules:

- RJ45 module MS-K Plus 1/8 Cat. 6_A shielded

- RJ45 module KS-TS 1/8 Cat. 6/E_A shielded
